

## Workshop 5 " Impact of marine litter on sea turtles: building synergies across the Mediterranean for monitoring ingestion and entanglement"

17 october 2018, 17H30-19H30

### Agenda

#### 17H30-17H45 Introduction

*Moderator: Françoise Claro, MNHN France, INDICIT*

- Françoise Claro- MNHN France, INDICIT - **Framework, objectives and work tools**
- Gaëlle Darmon- CNRS France, INDICIT- **Map of stakeholders and projects in the Mediterranean Sea and elsewhere**

#### 17H45- 18H15- Distribution of Mediterranean institutions and activities dealing with interactions between marine litter and fauna

*Moderator: Gaëlle Darmon, CNRS France, INDICIT*

- Lobna Ben Nakhla – Barcelona convention Specially Protected Areas Regional Activity Centre, Tunisia- **The Med Marine Litter Project**
- Gaëlle Darmon Gaëlle Darmon- CNRS France, INDICIT – **The INDICIT project**
- Antonella Arcangelli – ISPRA, Italy- **The MedSeaLitter project**

#### 18H15- 19H00 – Observations of the main impacts and risks of marine litter on Megafauna (ingestion, entanglement, spatial risks)

*Moderator: Guido Pietroluongo, Archipelagos Institute of Marine Conservation, Greece*

- Guido Pietroluongo- Archipelagos Institute of Marine Conservation, Greece- **Microplastic research in the Greek Aegean Sea**
- Giorgia Corazzola – University of Padova, Italy- **Observations in the Northern Adriatic Sea**
- Susan Ellen McKinlay – Erasmus master- Rio Grande do Sul University, Brasil- **Protocols for classification of ingested debris**

#### 19H00- 19H25- Discussion: constraints and further developments for standardizing protocols, identification of the needs for reinforcing capacities

*Moderator: Jesus Tomas- Valencia University Spain, INDICIT*

#### 19H25-19H30. Conclusion *Jesus Tomas and Lobna Ben Nakhla*

- **Outcomes:** i) Map and list of stakeholders involved or to be involved in monitoring, ii) pdf presentations to be shared; iii) Compilation of existing protocols and links to download them, iv) List of stakeholders using/wishing to use standard protocols, v) recommendations for further development including a list of needs for reinforcing capacities.
